DUAL DEGREE

An international agreement is established with the ICE Master of the THM (<http://www.thm.de/iem/ice/>). Both TE-UJA Master and ICE-THM Master comprise 90 ECTS credits. Some competences of the TE-UJA Master are equivalents to some of the ICE-THM master but not others. The dual degree proposal for UJA students includes: 60 ECTS credits in UJA + 30 ECTS credits in THM + 30 ECTS for master thesis. More information can be found in the dual degree ([Dual Degree.pdf](#)) presentation.
