Universidad de Jaén - Linares School of Engineering

RESEARCH

All the academic staff involved in the TE Master is Ph. D. and belongs to the following research groups:

- Signal Processing in Telecommunication Systems (TIC-188) (<http://www.uja.es/investigacion/grupos/tic-188>)
- Computer Network Systems and Engineering (TIC-220) (<http://www.uja.es/investigacion/grupos/tic-220>)
- Multimedia & Multimodal Processing (M2P) (TIC-227) (<http://www.uja.es/investigacion/grupos/tic-227>)
- Research and Development in Solar Energy (TEP-101) (<http://www.uja.es/investigacion/grupos/tep-101>)
